

Ultrafab is the region's hottest new dance and party band, playing your favorite pop, rock and dance hits from the 70's to today featuring artists like Stevie Wonder, Sublime, Lady Gaga, Avicci, Luke Bryan, Pitbull, Nikki Minaj, Taylor Swift and countless others.

The members of Ultrafab have a vast musical background that extends beyond a traditional band, ranging from musical theater and dueling pianos, to gospel choir and original music.

With four strong vocalists, Ultrafab is able to pull off intricate harmonies and is comfortable in a wide variety of musical styles and genres. This diversity keeps the audience excited to hear what big hit the band will play next.

Jackets and ties keep the band classy, while wigs, hats, props and dance moves keep it fun and engaging. Ultrafab uses no sequenced or backing tracks, allowing them to react to the crowd in real time, making sure that everyone has an amazing time and an unforgettable experience.
